If you should encounter any problems, please email Carolyn Hutto
at talcelections@islandcoastfea.org

Do not email anyone other than Carolyn Hutto, TALC Elections Chair. She is the only one that will be able to assist you with any ballot issues, after you have confirmed that it is not user error. It is recommended that all voters attempt to login to the voting website on Wednesday, January 20th. This way if there is a problem, she will have time to rectify the situation before the ballot closes. If you attempt to login on Thursday the 21st after 4:00 pm and have trouble, it will be very difficult to fix the problem in time. Please plan accordingly.

Thank you in advance and please VOTE!!!!
